At age four, Irma began her musical studies on the violin and complemented them by self-learning the piano. She holds a graduate degree in viola performance from the University of Massachusetts, Lowell.

Completing her education at Worcester Polytechnic Institute, she double-majored in Music and Electrical Engineering. After graduation, Irma pursued her musical interests full time and can now be found playing in a variety of ensemble settings in the Greater Boston/Worcester area, from intimate chamber music to magnificent symphonic concerts.

Irma Servatius is well-known to the A-AA, she had played with her sisters at our Christmas Celebration years ago. We are looking forward to greeting her again and listening to her concert arrangement, which includes two lesser known Austrian composers.

This event will include a Dinner Buffet, Dessert, and our Austrian Wine selection.
