The singing Men's Quintet Klagenfurt Ponfeld is from Carinthia, Austria. Their repertoire, naturally, includes songs from their home area, Carinthia, as well as from France and Italy. They are an important part of the cultural life of their home province, but have also performed throughout Austria, Germany, Canada, and other European countries.

They are coming via New York to Boston and will continue to Ottawa, Canada, where they will be singing for the 50th Anniversary of the Austrian Society Ottawa. We are naturally very excited to have them with us and are looking forward to a wonderful evening.

Appetizers, Dinner, and Dessert served with Austrian wine.
