Metzger and the Murderous Mountains („Der Metzger und der Tote im Haifischbecken“)

Austria, 2015 – German, English Subtitles

Bad things will happen to the bad guys

Some people might think they're closer to God when they're in the mountains. But not professional art and antique restorer Willibald Metzger! What the amateur investigator finds in the mountains is definitely more earthly than divine. After a couple of fatal "accidents" in a Tyrolean wellness hotel – such as an "accidental" fall into a shark tank – Metzger and his incurably optimistic are-they-together-or-not sidekick Danjela set out to make some sense of a bizarre family with a sordid history. Among the obstacles and dangers they have to deal with are a mean old grandfather, a scheming reverend, a philosophizing cop, a mangy mutt who pulls on people's heartstrings, and a variety of one-of-a-kind

mountain dwellers who are just as likely to stab you as to embrace you...

How to find us:

From Route 128, take exit 16B (Westwood/Route 109). Follow Route 109 South for about 8 miles until Brook Street in Medfield. Turn right onto Brook and right again at the end onto Green Street. #92 is 1/2 mile up the street on your left (a yellow house with columns on the front porch). (25 min)

Route 27 also takes you to Medfield from Natick/Sherborn or Routes 1 and 95 in Walpole (see map).
