Ian Scully,

will show us this video presentation based on
The Life and Legacy of Austrian-American Ski Pioneers.

Ian is a Tri-Lingual Level III Certified Ski Instructor and has taught in several ski areas in the Northeast and Southwest of the United States.

His background and interest in ski history stems from his Austrian heritage and growing up in Franconia, NH.

His determination to chronicle the lives of Austrians who played a central role in the successful development of the viable and prosperous ski industry in the United States was realized through videotaped interviews in the United States as well as in Austria.

Join us for an evening of skiing film clips and pictures you have never seen before.
Get a taste of the excitement of downhill skiing.
Feel the energy, feel the sport, feel the adventure.

A Reception with a Buffet and Wine will follow the presentation.
