Dear Members and Friends of the Austro-American Association of Boston,
It is not every day that the President of Austria visits Boston, and we are very excited about this event. The subject of the Address is timely and should be very informative.

Looking forward to your attendance,

President of the Austro-American Association

Directions:

From Memorial Drive traveling east, turn left at the sign marked "Harvard Square," which is John F. Kennedy Street. The first building on your left is the Kennedy School. Go to the main entrance of the Kennedy School. The Forum is just inside the main entrance, and the Institute of Politics is located through the maroon double doors immediately to the right.

For parking: At next traffic light, turn left onto Eliot Street. If you are unable to find street parking, we suggest using public parking at the Eliot Street Garage (on the right, just after you turn onto Eliot Street), or at the Charles Hotel garage (further down Eliot Street on the left).
