Austro-American Association of Boston

December 2020

Dear Members and Friends,

These are difficult times for all of us, but the friendship and love from family and our friends in the A-AA has brought comfort and we are grateful for this positive reality.

This year the celebrations are very different, but we look forward to the A-AA events in 2021 and seeing all of you again and the opportunities to be together in friendship and love.

Below you will find an Austrian Crystal Star, weighting 1,000 lbs, made by Swarovski, which was put on top of the Rockefeller Center Christmas Tree in New York. Froehliche Weihnachten from our beloved company in Austria and from the A-AA Board.
